Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for building and construction projects carried out by OneWest in Louisville, Kentucky. The entity to receive funding for this project is Onewest Corporation, located at 2028 W Broadway #104, Louisville, KY 40203. The funding would be used to restore and convert existing, but vacant and dilapidated, structures into commercial space and affordable residential units to expand housing and business development opportunities. These structures are located at 526 S 18th Street and 1731 W Broadway Rehabilitation in Louisville. The project is appropriate for taxpayer funds because this investment will convert vacant blighted space and an existing single use space into two properties that are multi-use, bringing additional housing and commercial activity to Louisville's West End.

The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey
Member of Congress
